

Name: _____

The Major Gods and Goddess of Greek Mythology

A brief overview prior to reading Oedipus the King

The Project:

Create a picture and/or collage that depicts the god/goddess you have been assigned. Your project should answer the following questions about your god/goddess:

- What is he/she the god *of*?
- What are his/her attributes? Example: Poseidon's attribute is a trident.
- Who is he/she related to? (mom, dad, brother, sister, etc.)

The Presentation:

Be prepared to present your project to the class. Your goal is to teach the rest of the class about your god/goddess. The presentation also gives you a chance to tell a story about your god you may have discovered but were unable to convey through your project. The presentation should be about 3-5 minutes in length.

The Quiz:

Create one question you believe your classmates should be able to answer after listening to your presentation. I will put all of these questions together to create a quiz on the gods/goddesses to be given the following class.
