

Class of 2011: College Application Deadlines for Florida Public Universities

Pay attention to college application deadlines and submit applications early! Use on-line applications at the individual college website for best results. You will not be considered for admission until the online application and ALL supporting documents are received by the college, including your high school transcript, ACT and/or SAT scores and application fee. Request your transcript from the registrar, Mrs. Wright in the guidance office. If you have been approved for free/reduced lunch, see Ms. Nelson in the BRACE office for college application fee waivers. Visit the BRACE office if you have additional questions.
