

# Literature Reading Homework Log

Student Name: \_\_\_\_\_ Period: \_\_\_\_\_

Your regular homework for this class is to read a book, periodical (magazine or newspaper), or an Internet article(s) of your choice—that is appropriate for school and your parents approve of—**three times a week** for **thirty minutes each time**. You will get extra credit for reading more than three days a week, but three days is a minimum. At the end of each week, write a response paragraph (see lines under each log) related to something you read and an element of fiction/reading that your teacher has assigned. Have your parents sign in the spaces provided verifying that you have actually read what and when you said you did. Since there are two weeks, your parent will end up signing it on two separate days. This will be collected every two weeks.
