Extra Interview # _____

1. How were you raised in relation to faith/religion? What was the role of religion in your family during your early life? What stories do you remember?

2. What were the most important religious beliefs and traditions in the family of your childhood and youth?

3. How did the beliefs and practices of your parents affect you?

4. What other people were important to the development of your faith? Why and how did they influence you positively or negatively? What writers, movies, cultural events, etc., influenced your faith?

5. In what ways has your or your family's faith been tested and challenged? Has faith been helpful in difficult times? How? Or why not?

6. What aspects of faith or beliefs are currently most important to you? In what ways has your faith changed since you were a teenager?

7. What are the most important faith stories for you thus far in life? What have you learned that is most important?
