Overview

PATH: *Instruction > Assignments > Tree View*

The Tree View displays an alignment based view of a section's assignments based on the following hierarchy:

- Term
- Task
- Category
- Assignment

Users may edit an assignment or category by clicking its name and score an assignment by clicking the Score link after its name.

The screenshot displays a 'Tree View' under the 'Assignments' header. It is divided into two main sections: 'Standards' and 'Grading Tasks'. The 'Standards' section is organized by term ('1 Term') and then by standard number (6.1, 6.2, 6.3). Each standard has sub-categories like 'Book Reports (25%)' and 'Tests (25%)', which contain specific tasks such as 'The Call of the Wild Book Report (Score)' and 'Vocabulary Test 1 (Score)'. The 'Grading Tasks' section is also organized by term ('1 Term') and includes categories like 'Term Grade' and 'Mid-Term (Progress)', with sub-categories like 'Daily Work (50%)' and 'Book Reports (25%)' containing tasks like 'The Call of the Wild Book Report (Score)' and 'Vocabulary Test 1 (Score)'. Red callout boxes on the right identify 'Term' (pointing to '1 Term'), 'Task' (pointing to 'The Call of the Wild Book Report (Score)'), 'Category (using category weighting)' (pointing to 'Book Reports (25%)'), and 'Assignment' (pointing to 'Vocabulary Test 1 (Score)').
