**DIRECTIONS:** Answer the following questions in the space provided.

1. How would you describe the race relations at your school?

2. How do you feel about groups that segregate themselves by race or ethnicity?

3. Have you ever hung out with a group in which you were a minority? (Race, religion, ethnicity, sexual orientation, etc.) Explain how you felt to be a minority; were there drawbacks or rewards to being the minority?

4. Have you ever been friends with someone from a different race, ethnic group, sexual orientation, or someone with a mental or physical disability? Describe the challenges or benefits from the friendship.

5. Would you date a person of a different race or religion? How would your friends and family react if you did? What obstacles might you expect?

6. Have you had a personal experience that affected the way you feel about another group in your school? Explain.

7. Are students at your school treated equally by teachers, staff? By students? Explain.

8. Do you hear a lot of discriminatory jokes at your school? How do you react? What groups are targeted by jokes? Would you react differently if you were a member of that group? How?

9. If you could ask a person from a "different group" anything, what would you ask them?

10. How could you and your friends improve the relationships between "different groups" at your school?

11. How would your parents react if you had a good friend (not romantic) from a different group? Would it matter to them? What would they say to you? Would they say something to your friend?
