

¡BIENVENIDOS A LA CLASE DE ESPAÑOL 2!

Dear Spanish Student:

Welcome to Spanish 2! As you enjoy your summer and prepare to take new, more challenging courses in the fall, please remember that the material you learned in Spanish 1 will be the building blocks that will make you successful when you take Spanish 2. The Spanish department highly recommends that you review the following material before you begin the 2nd year of Spanish:

- List of common verbs (attached).

Know the meanings of these verbs and how to conjugate them.

We will be using them in class during the first weeks.

- The use of the verb gustar and how to say what you like and don't like.
- Telling time.
- Weather expressions.
- Asking and answering questions.
- Vocabulary from Spanish 1.

YOU WILL USE THIS PAGE TO COMPLETE ALL SUMMER WORK:

www.quia.com/pages/nzastudil/page2

IF YOU WANT ADDITIONAL PRACTICE, THERE IS A WEB SITE, www.studyspanish.com WHERE YOU CAN GET MORE FREE PRACTICE WITH THE VERBS FROM SPANISH 1.

THERE WILL BE A TEST ON THESE VERBS, THEIR FORMS AND MEANINGS THE FIRST WEEK THAT WE ARE BACK IN SCHOOL!

Have a great summer!
Mrs. Zastudil & Profe Higgins
