2006-2007 Yearbook Staff

You are cordially invited to our FIRST staff meeting for next year's book. Can you believe that we are already beginning our work?

Our editors for next year are Meredith McNeill and Lindsay Pitts. They are both highly qualified and I am looking forward to the leadership role they will take on. Our editors will accompany me to Myrtle Beach this summer for Yearbook Camp. This is when we will begin the process of developing our theme and possible cover idea.

Our meeting on May 31 - from 2:30-3:00 in Room 1920 is very important. You will be receiving some materials that you will need over the summer months and it will effect your 1st quarter grade. We will also be giving you some pointers and leads concerning selling ads.

We are looking forward to having our present staffers back and also having those folks who will be new on staff.

It is critical that we have a full staff of 21 persons. If, for whatever reason, you find that you cannot fulfill your obligations of being on staff next year, please come and let me know as soon as possible so that I can find a good replacement for you.

Sincerely,

Ms. Goldsmith
