Name: _____

Novel: _____

Assignment: _____ - _____

What to do: Your job is to develop a list of questions that your group might want to discuss about this part of the book. Don't worry about the small details: your task is to help people talk over the big ideas in the reading and share their reactions. The best "fat" discussion questions come from your own thoughts, feelings, and concerns as you read and do not have just one right answer. You must provide at least five discussion questions for today. To earn full credit, you must also convince all of your group members to participate and ask them additional questions to keep your group's discussion going.
