

WORDSMITH

Name: _____ Book Title: _____

What to do: Your role as Wordsmith is to help introduce **new, interesting and important** words to your literature group members. As you read, use sticky notes to tag pages where you find words you'd like to share with your group. During your discussion time, have **classmates take turns reading** the sentence(s) in which the word is found and **discuss possible meanings** of the word **before** you give the definition. Make sure you are using the definition that is used in the book **not** just the first one in the dictionary.

Word	Page	Definition of word as used in the sentence in 7 th grade language.	Create a visual of the definition of the word.	Write a new sentence using the word correctly.
