

## **Important notice about your summer Quias:**

1) Because I do not yet have a list of who is taking Spanish 3, I cannot set up Quia so that it will allow you to save your work and return later to finish it. Don't worry--as soon as school starts, I WILL have that list, and you will once again be able to save part of your work and come back to finish up later. But over the summer, you will have to finish an assignment before submitting it, or else you will lose everything you have done. I am VERY sorry for this inconvenience and wish there were something I could do about it.

2) The Quias we do this summer will be worth 5 points each. (During the school year, Quias are worth one point each.) There's no getting out of them! If you don't do them before school starts, you will have to come sit with me outside of school to do them. Bummer!

3) STUDENTS NEW TO BEXLEY: When you miss a question on Quia, you can immediately answer it again. Select the drop-down menu at the top of the question box next to **Go to**, highlight and click the question you just missed, and click **Go**. There is no limit to how many times you can answer a question; keep trying until you get it right. If there's one you truly can't figure out, don't worry--you only need 80% of the questions correct to get full credit.
