

# StuCo Member Covenant, 2007-08

## Passionately Pursue God

### Duties of all StuCo Members :

1. Pursue God in your daily walk with Him (Bible reading, prayer, and journaling).
2. Attend all meetings. We will typically meet once a week for about an hour. If you cannot make it to a meeting, let one of the officers know beforehand.
3. Represent the student body and your constituents at meetings.
4. Promote unity in Christ within the student body.
5. Attend all StuCo sponsored events and help in the coordination and execution of those events, especially Day of Prayer, Student Revival, Ignite, and StuCo Day.

As I have been elected to represent \_\_\_\_\_ in Central Christian College  
(dorm floor, off-campus, or At Large)

of the Bible's Student Council (known as "StuCo"), I, \_\_\_\_\_,  
(print name)

promise to fulfill my duties as stated above and faithfully represent the CCCB student body. I will be held accountable to completing my duties by the other StuCo members and the officers. If I miss three consecutive meetings with an unexcused absence (as per our constitution) or do not fulfill my duties, I will be removed from my position and my vacancy will be properly filled.

I understand the responsibilities I undertake in this position, as it will require much sacrifice and service on my part to have a successful year with StuCo. By signing this form I agree to invest one hour a week in meetings and many hours throughout this school year coordinating and executing events for the social and spiritual growth of the student body.

I will be a model to others in the student body by passionately pursuing God daily and conforming into the image of Christ by practicing spiritual disciplines. I have (or am currently seeking) an accountability partner and a spiritual mentor who will both invest in my life and help me grow spiritually this year. I will also invest in the lives of others and help train them to maturity in Christ and be servants for Him.

Signed,
