6. Enter your information. If you do not have an email address, you can make one up, but you must remember it. If you share email addresses with a brother or sister at this school and they have already signed up, you will not be able to use that email address. Hint: your individual password for your account must have at least one letter and one number. The password above is for the class period as a whole.
7. On the sheet being passed around the room, write down the password, email address, and login. Just in case you forget, I am going to keep this page for using turnitin.com in the spring.
8. Click on your class period.
9. In the left hand column, click on “Discussion”.
10. First, click on the first discussion listed titled “The Rules: Read This First”.
11. Answer questions to review for test on Monday!!

Write your email address and your password here and then keep this sheet: _____
