

## Setting Up Your Springboard Account

1. Google      Springboard collegeboard
2. On the Springboard page, [click here to register](#)
3. Type in school code : 229873 **You will need to remember this code to logon at home.**
4. Choose your username and password; add the rest of your details (make sure you can remember these!)
5. Once your details have been accepted, click 'Register'
6. 'Launch Springboard'
7. 'Request Enrollment' and look for your teacher's name
8. Choose your specific class and 'Request Enrollment'
9. It should tell you that your request for enrollment has been received
10. Your teacher will accept your enrollment later
11. Click on 'Find Materials' and select **ELA 5** (for 10<sup>th</sup> Grade English). Click on the small hat icon to the right, and you can access pages from your in-class textbook.
12. You may now log off, but don't forget your log on details and school code.
