

**Southwest Middle School  
Parent Volunteer Sign Up Sheet 2006-2007**

It is my goal to develop an orchestra program of extremely high quality at Southwest Middle School. With a quality program comes many activities that the students may select to participate in. The orchestra students will be able to be involved in more activities if parents can assist with some small task during the year.

Please check all the appropriate items where you can assist the orchestra program. We need everyone supporting our students to guarantee their success. Please return as soon as possible. Thank you.

Concert Help

- Type programs
- Fold programs
- Chaperone students in warm-up rooms before concert
- Chaperone students not performing (in back of audience while other orchestra is on stage)
- Hand out programs
- Videotaping concerts
