You can use the shortcuts in the bookmarks to get to Brain Pops...

The screenshot shows the San Mateo County Office of Education website. The header includes the logo and navigation tabs: Home, School Help, Project Help, Textbooks, Reference, and Parents. A user is logged in as 'Welcome apaytonmi Student' on November 13, 2009. The main content area is divided into two sections: Announcements and Bookmarks. A large green arrow points from the Announcements section to the Bookmarks section.

Announcements

Topic	Announcement	Post Date

Cyber Safety

Sometimes it doesn't work so...

Click School Help, then Brain Pop from this page

The screenshot shows the San Mateo County Office of Education website. The header includes the logo and the text "San Mateo County Office of Education". The navigation menu has links for Home, School Help, Project Help, Textbooks, Reference, and Parents. The "School Help" link is highlighted. The main content area features a "Discovery Education streaming for Students (Subscription Required)" section with a description and a "Discovery Education streaming for" link. Below this is a "NOVA / PBS Science Series" section. On the right, there is a "BrainPop" section with a list of subjects: BrainPop Home Page, Science, Social Studies, Math, Health, Technology, and English. A green arrow points from the "School Help" link in the navigation menu to the "BrainPop" section.
