DEALER COMPANY NAME: \_\_\_\_\_  
ADDRESS: \_\_\_\_\_  
CITY, STATE/PROV, ZIP/POSTAL CODE: \_\_\_\_\_  
COUNTRY: \_\_\_\_\_

ATTN: \_\_\_\_\_, REPRESENTATIVE (Name of dealer)  
\_\_\_\_\_, USER'S NAME

Using a scooter at high speeds involves inherent risks, including the potential for falls, injuries, or mechanical damage. To mitigate these risks, your scooter is equipped with a speed reduction sensor designed to automatically reduce speed to 80% of the maximum when turning.

For safety reasons, Amylior Inc. does not recommend disabling or modifying the settings of this speed reduction sensor. Any decision to disable or modify these settings is made at the sole discretion and responsibility of the user, authorized dealer, or representative. Amylior Inc. assumes no responsibility for injuries, damages, or equipment failure resulting from the disabling or modification of this safety feature.

By signing below, I acknowledge that I have carefully read and fully understood this waiver. I accept the risks associated with the use of the scooter, including any risks resulting from altering or disabling the speed reduction sensor. I voluntarily agree to release and hold harmless Amylior Inc., its employees, representatives, and affiliates from any and all claims, liabilities, damages, or losses arising from my use of the scooter, including those resulting from any modifications to the speed reduction sensor.
