

Nuevas clases, nuevos amigos

PRIMER PASO

To talk about class schedules and to sequence events, you'll need to use the names of academic subjects. To tell time, you'll need to use numbers and some forms of the verb *ser*.

VOCABULARIO

Academic subjects *Pupil's Edition, p. 75*

1 Ms. Sosa is a new advisor at school and she's helping students choose two electives for next semester. Based on each student's interests, write two classes that he or she might enjoy.

las matemáticas	el arte	la geografía	las ciencias
la educación física	la computación	el francés	las ciencias sociales
