Name_____

ASSIGNMENT 9: INTERVIEW PREPARATION

SECTION 3: ANSWERING COMMON INTERVIEW QUESTIONS (A)

Where Do You See Yourself in 5 Years?

- *What responsibilities or tasks do you hope to be carrying out in 5 years?*

- *How do you hope to grow within the company and position?*

- *Are there any training or education you'd hope to pursue?*

What Is Your Ideal Work Environment?

- *What type of environment and management style would allow you to work your best?*

- *What type or environment and management style are you trying to avoid?*

Why Should We Hire You?

- *How are you delivering on what the job posting requested?*
  [This answer will changed based on the position. You do not need to answer this portion, but understand the concepts in how you would answer this.]

- *What skills and qualities make you uniquely relevant for a company?*
  (Reference Your Personal Brand)

Do You Have Any Questions For Us?

It is best to research the company and write down questions you will ask at the end of the interview. If that fails, always have these 2 questions prepared:

- Question About Interviewer:

  _____

- Question You Might Ask on the 1st Day:

  _____
