

TEAM BUILDING 2-15-13

Answer the questions below in FCS on your binder paper.

1. What makes a good team (what does a good team look like)?
2. What do good teams do to work well together

Activity Instructions

- Students put together some puzzles that had the same finished shape, but their pieces are all different. The pieces for the puzzles have been all mixed together
- Team needed to complete this activity in complete SILENCE

♥♥ Hearts Reflection ♥♥

Answer the questions below in FCS on your binder paper. These questions are about your experiences with today's team building activity.

3. What went well during the activity (and why)? (what are some things that make an activity go well for a team?)
4. What was hard about the activity (and why)? (what are some things that make an activity hard for you and a team?)
5. What strategies did your team use while doing the activity? (what are some things that help you work well in a team?)
