

## Mock UPLAE/PhiLSAT Requirements and Guidelines

1. You should use a PC with a stable internet connection—not cellphone, not tab, not iPad. If you get disconnected or if your PC crashes, it is the user's full responsibility. We will not entertain your appeal to re-access the exam.
2. Use only Chrome web browser. Using other browsers such as Internet Explorer or Firefox will surely make you disconnected. Our e-Exam will run smoothly on Chrome. We will not entertain inquiries or any requests for assistance once you get disconnected because of non-compliance.
3. The SECRET WORD or the 2nd-level password will be announced a few minutes before the scheduled mock exam via our Facebook Group (<https://web.facebook.com/groups/uplae>). Make sure you are already a member of the said FB Group. Your time only starts after entering the SECRET WORD.
4. An hour before the start of the exam, we will be active on FB Group to do the following:
  - a) informal meet and greet session (Kamustahan)
  - b) posting of the second-level password or secret word.
5. Once you have already entered the SECRET WORD or the 2nd level password, DO NOT click the following to avoid disconnection:
  - a) Control Key
  - b) Command Key (MAC user)
  - c) Back button of the web browser
  - d) ESC button
6. Our system can detect if you access search engines such as Google, Yahoo, etc. Although you have the liberty to do so, we would like to remind you that we do not really care about your score. This activity is for self-assessment. Honesty is always the best policy.
7. We will NOT post online your score or personal information as we respect your privacy. But you will see your own score right after clicking SUBMIT.
8. Read #5 again for your guidance. We do not have enough volunteers to attend to your challenges or any request for assistance during the mock exam. Please take note that we reserve the right to refuse to provide support to uncooperative, rude, and intellectually arrogant people. Follow the rules set by our group and be patient in dealing with us. We have limited volunteers to provide support. Please be considerate of our time.
9. The following are grounds for disqualification from joining future mock exams:
  - a) No show. You registered, then you take the exam.
  - b) Violation of our rules
  - c) Late (do not send us PM)
  - d) Failure to actively participate in our Meet & Greet session (Read #4)
  - e) Posting a screenshot of the exam (in part or whole)
10. Just a friendly reminder: READ the instructions several times before asking unnecessary questions. For further guidance, please read below the commonly asked questions.
