First impressions are radically important. A good first impression can do wonders for earning you the benefit of the doubt. In order to start your year out on the right foot, please introduce yourself to EACH of your teachers (including Mr. Fulks/Mrs. Davis), utilizing each of the pieces of advice we discussed in class.

Our sample introduction:

"Hello! [wave, fist bump, shake hands]. My name is _____ and I am an AVID student. It is my goal to earn a good grade and be a positive part of the community of the class as a whole! I hope to be able to sit in the front of the class and would love to help out around the room in any way I can. What is your email address in case I should have to contact you with questions about the course?
