To keep schools informed, we are creating an IAMS website and a quarterly newsletter. Both tools will provide updates on the system, announcements, links to manuals, help tools, FAQs, and training information. The website will also include a place to post issues and a chat page. You will be receiving the information on the website and newsletter by November 30, 2009.

However, if you have any questions or issues, please contact the IAMS hotline at 773-553-2750 or send an email to [iams@cps.k12.il.us](mailto:iams@cps.k12.il.us).

Thank you for your support of the new Oracle Internal Accounts Management System conversion. Please remember, we are here to support you.
