Workforce Innovation and Opportunity Act

Overview

- Formerly called The Workforce Investment Act (WIA) of 1998; emphasized the government's financial investment in workforce
- Currently called The Workforce Innovation and Opportunity Act (WIOA); focuses on labor and educational agencies working collaboratively to develop our workforce.

From WIOA Webinar: An Overview of Adult Education and Literacy, August 28, 2014, U.S. Department of Education and Coleman 2015.

Workforce Innovation and Opportunity Act Title II Adult Education and Family Literacy Act (AEFLA) General Themes

- Support for Career Pathways and Integrated Training
- Emphasis on postsecondary education and employment (CCRS) and now (ELPS)
- Collaboration with partners (program level)
- Stronger industry sector partnerships (program level)

English Language Proficiency Standards for Adult Education

- The ELP Standards for AE were identified to help ELLs acquire the language knowledge and skills necessary to achieve their postsecondary and career goals.
- The Workforce Innovation and Opportunity Act (WIOA) highlights the importance of preparing all adults, including ELLs, for continued education and training beyond high school.

From English Language Proficiency Standards for Adult Education

English Language Proficiency Standards for AE

- Although many ELLs come to the United States with many valuable skills and resources, they still face the difficult task of acquiring English while simultaneously learning academic or career content and skills.
- The ELP Standards for AE emphasize the need for English language acquisition programs to move beyond teaching life skills. These programs must promote college and career readiness for adults and meet the high expectations set forth in WIOA.

Onramps and Pathways under WIOA Title II

1. Onramp: Help ELLs achieve competence in English language reading, writing, speaking and comprehension

- 2. Pathway: Program of Instruction must lead to attainment of secondary diploma or equivalent
- 3. Pathway: Program of Instruction must lead to transition to postsecondary education and job training, or employment

Purpose of WIOA Title II

......WIOA expands the purpose of AEFLA [Adult Education and Family Literacy Act] to assist immigrants and other individuals who are English language learners to improve their reading, writing, and comprehension skills in English and mathematics as well as understanding the American system of Government, individual freedom, and the responsibilities of citizenship.

Soft Skills and Hard Skills

It's rarely a shortfall in technical expertise that will limit your chances to land a good job or to move up in the workplace. It is rather a shortcoming in social, communication, and self-management behaviors. You can have all the technical expertise in the world, but if you can't sell your ideas, get along with others, or turn your work in on time, you'll be going nowhere fast.

Peggy Klaus The Hard Truth about Soft Skills

"The skills that learners need in order to transition successfully to higher levels of education or employment should be integrated into every level of instruction, including ESL classes that are focused primarily on language instruction."

Ventures Civics Worksheets

A few years ago, my neighborhood was not very nice. We did not have a park where our children could play. There was an empty lot near the houses. It was dirty. There was no playground. It was not safe for our children.

We talked about the problem in our Neighborhood Association meeting. We decided to clean up the empty lot. Some people cleaned up the trash. Other people planted a tree. A store donated playground equipment. Now we have a nice little park. Our children like to play there after school and on the weekends.

- People in the Neighborhood Association planted a tree.
- A local store donated playground equipment to the community.
