Objectives

By the end of this session, participants will be able to:

- Provide basic information on WIOA (Workforce Innovation and Opportunity Act) and how it relates to instruction in ESL (and ABE) classes

- Incorporate five activities to infuse workplace preparation skills in classes
Agenda

- Background Information, WIOA and Instruction
- Ways to Infuse Workplace Preparation Skills in our Classes
- Review, Reflection and Commitment
Workforce Innovation and Opportunity Act

Overview

• Formerly called The Workforce Investment Act (WIA) of 1998; emphasized the government’s financial investment in workforce

• Currently called The Workforce Innovation and Opportunity Act (WIOA); focuses on labor and educational agencies working collaboratively to develop our workforce.

Workforce Innovation and Opportunity Act
Title II Adult Education and Family Literacy Act (AEFLA) General Themes

- Support for Career Pathways and Integrated Training
- Emphasis on postsecondary education and employment (CCRS) and now (ELPS)
- Collaboration with partners (program level)
- Stronger industry sector partnerships (program level)
English Language Proficiency Standards for Adult Education

- The ELP Standards for AE were identified to help ELLs acquire the language knowledge and skills necessary to achieve their postsecondary and career goals.

- The Workforce Innovation and Opportunity Act (WIOA) highlights the importance of preparing all adults, including ELLs, for continued education and training beyond high school.

From English Language Proficiency Standards for Adult Education
English Language Proficiency Standards for AE

• Although many ELLs come to the United States with many valuable skills and resources, they still face the difficult task of acquiring English while simultaneously learning academic or career content and skills.

• The ELP Standards for AE emphasize the need for English language acquisition programs to move beyond teaching life skills. These programs must promote college and career readiness for adults and meet the high expectations set forth in WIOA.
Onramps and Pathways under WIOA Title II

1. **Onramp:** Help ELLs achieve competence in English language reading, writing, speaking and comprehension

2. **Pathway:** Program of Instruction must lead to attainment of secondary diploma or equivalent

3. **Pathway:** Program of Instruction must lead to transition to postsecondary education and job training, or employment

Purpose of WIOA Title II

......WIOA expands the purpose of AEFLA [Adult Education and Family Literacy Act] to assist immigrants and other individuals who are English language learners to improve their reading, writing, and comprehension skills in English and mathematics as well as understanding the American system of Government, individual freedom, and the responsibilities of citizenship.

Work with two or three people. Pick a reporter. Think of as many as you can in 2 minutes. Reporter writes & reports back.

- Interact with others
- Teach job duties to others
- Work in a team
- Solve problems
- Take initiative and responsibility

It’s rarely a shortfall in technical expertise that will limit your chances to land a good job or to move up in the workplace. It is rather a shortcoming in social, communication, and self-management behaviors. You can have all the technical expertise in the world, but if you can’t sell your ideas, get along with others, or turn your work in on time, you’ll be going nowhere fast.

Peggy Klaus
The Hard Truth about Soft Skills
“The skills that learners need in order to transition successfully to higher levels of education or employment should be integrated into every level of instruction, including ESL classes that are focused primarily on language instruction.”

**What Are Some Workers’ Rights in the United States?**

Workers have the right to:
- work in a safe workplace.
- get a fair wage. Employers cannot pay less than the minimum wage – the minimum wage is the amount that employers must pay employees per hour. Employers must pay overtime (pay for extra hours) after workers have worked 40 hours in a week.
- take a break after they work a certain amount of hours.
- work if they have a disability. Employers cannot discriminate against hiring a worker with a disability.
- work without facing discrimination because of age, gender (male or female), race, or religion.

 ventured Civics Worksheets

A few years ago, my neighborhood was not very nice. We did not have a park where our children could play. There was an empty lot near the houses. It was dirty. There was no playground. It was not safe for our children.

We talked about the problem in our Neighborhood Association meeting. We decided to clean up the empty lot. Some people cleaned up the trash. Other people planted a tree. A store donated playground equipment. Now we have a nice little park. Our children like to play there after school and on the weekends.

___ People in the Neighborhood Association planted a tree.
___ A local store donated playground equipment to the community.

- feel good about yourself?

And of course, speak, write, and understand English.
Reflection: Can you…?
