

1. Use the **Law of Syllogism** to answer the question that follows the statements.

- ◆ Gorillas are the only animals that enjoy ballet.
- ◆ All animals can fly to Mars.
- ◆ Scotch broom blooms every Thursday all over Mars.
- ◆ Only those few animals that do not play solitaire are immune to hay fever.
- ◆ No animal that travels in leaky rowboats ever has the penultimate word in a verbal discourse.
- ◆ Scotch broom is what gives animals severe hay fever.
- ◆ Those that do not handle hot ice cubes travel to town in leaky rowboats.
- ◆ All animals that have the penultimate word in a verbal discourse play solitaire.
- ◆ No animal that enjoys ballet handles hot ice cubes.

What can you conclude from these statements? (Be as SPECIFIC as possible!!)
