WHAT IS ELLEVATION ?

- ELlevation is a secure, web-based system for documentation that will oversee and monitor ESOL services for English Language Learners (ELLs)
- All documentation in ELlevation is required in order to meet the state and district ESOL program requirements.

The screenshot shows the ELlevation website dashboard. It features a pie chart titled "ELL/LEP Students" with a legend indicating different student categories: LY (ELL Current) (299), LP (Formerly ELL) (49), LZ (Fully Exited) (46), and ZZ (Did not Qualify) (11). Below the chart is a table of students with columns for School, Grade, and Teacher. A "Demo Video" button is visible in the top right corner.

SUBJECT: STUDENT REGISTRATION

ACTION: All schools must ensure that unregistered students are not turned away from the schoolhouse doors. Register all students, offer opportunity and assistance with completing paperwork, and allow the student to begin the school year from the day they arrive. If the student is not properly placed by enrollment in your school then that will be addressed post-enrollment. Updated policies/procedures for placement will be forthcoming by September 4, 2015. Please forward this important information to necessary personnel.

RATIONALE: As students are registering at schools for the 2015-2016 school year, we must remember all children are entitled to equal access to a public elementary and secondary education. School districts that prohibit, discourage, or maintain policies that have the effect of punishing or discouraging children from enrolling in schools are in violation of State law, Federal law, and School Board Policy.

Information on school enrollment and registration requirements are outlined in School Board Policy 5.1. All registration forms can be found on the web-form website through the internet in English, Spanish, Haitian-Creole, and Portuguese.
