

Dear exchange-students of Fairview,

My name is Eléa, i'm actually 15 years old and i'm a student in Lycée Renaudeau.

To begin, i live in Saint Christophe du bois (a small town near Cholet wich is very peacefull), with my mother, my father, my little sister and our cat. We are not a big and noisy family but we love eachothers (mostly the cat), so, you'll be perfectly welcome!

If you want to know me, i'm the kind of quiet person who also love discovering new things and i LOVE drawing while listening to music. By the way, i like every kind of music, particularly hardrock and metal but i hate RAP (except Eminem).

At school, my favorite subject is English and that's why i'm in the project of exchange, because i'm also in the "euro-section" wich allowed me to do all of that! I also like spanish and S.N.T (even if, sometimes, it's

a bit boring).

To finish, if i want to go in USA in Fairview, it's because it would be a great opportunity for me to go abroad and discover new horizons, meet new people who don't speak french (it could be fun!) and learn how you live and your culture.

I hope that i will find someone to pair with!

Have a good day and See you soon!
