

Dear correspondent,
I am Noé. I am 15 years old; I live in La
Séguinière next to Cholet. I have two little sisters,
my parents and one cat. I am funny, kind, friendly,
impatient and a chill guy. In life I like going out
with my friends, practice sports, travel, discover new
things and new people. At school, my favourite subjects
are sport and history. I do sports on Tuesdays at
sports association of the high school. What I prefer about
the exchange is to discover my country, my favourite
places, french and french traditions and also discover culture
food, school and traditions of the USA. I would like
also present my friends to you.

I'm eager to meet you

RAIMBAULT NOÉ
