

Hi! my name is Paola Coudoux-Domeau, I turned 15 on December 23. I was born in Saint-Herblain, but I have always lived in the same house in May-sur-Evre, I have never moved. I have an amazing mom, she is very kind and funny. I have an amazing dad, he is very funny and super nice. I have a 6-year-old brother who isn't always easy to live with, but he's kind. He takes English lessons, and even though it's not always perfect, he loves it! I think I'm a kind girl who loves to talk and I hope I'm funny too, but sometimes I'm the only one laughing at my jokes. I love doing different activities like hanging out with my friends and family, speaking, watching movies, and playing piano (I don't take lessons, but I have a piano at home. I also love listening music and going to ice rink. As for sports and leisure, I don't do any outside of school, but I've tried a lot of different ones like modern jazz dance, ballet, ice rink, basketball, drawing, and more... At school my favorite subjects are English and French. Being curious and loving to travel is a fantastic way to learn about new cultures and make new friends, it's awesome!
