

Room 20 Update

November 2016

As you have seen we use reading materials from several sources. For this reason, I thought that I would send home the chart below. It may help you understand the various levels that you see your child working at on their reading comprehension.

Visiting Author

Ask your child about our visiting author Heidi E.Y. Stemple who visited us on Nov. 2. It is always interesting to learn from writers who have been published!

Reading Level Correlations

Grade Level	School Levels F & P	A to Z Readers	Lexile Range
Grade 2	J	J - K	451 - 500
	K	L	501 - 550
	L	M	551 - 600
	M	N - O - P	601 - 650
Grade 3	N	Q - R	651 - 730
	O	S	691 - 770
	P	T	731 - 770
Grade 4	Q	U - V	771 - 830
	R	W	801 - 860
	S	X	831 - 860
Grade 5	T	Y	861 - 890
	U-V	Z	891 - 980
Grade 5+	W-Z	Z	891 - 980

Multiplication Facts!!

We are practicing sets of facts to quickly recall the product. The goal is for your child to be able to give the product in less than 5 seconds. Your child should be practicing the 0, 1, 2, 5, and 10 facts through times 12. Thank you for helping your child with this important memorization that many future math skills depend upon.

Field Trip Ahead

Watch for more information on our field trip. On Monday, November 14th the third grade students will take a field trip to the Palace Theater in Albany. We will attend *The Main Street Kids Club: A Mathstart Musical*.

Healthy Snack Ideas

apple
banana
graham crackers
fresh vegetables
