

# Grade Eight Swim Test

To: Incoming Eighth Grade Parents

From: The Eighth Grade Team

As part of the eighth grade Charles River Community Awareness Unit offered in the fall, each eighth grade student is required to pass a swimming test during the summer. Each student is required to tread water for five minutes and swim a distance of seventy-five yards. A qualified swim instructor is required to administer the test and sign the form below.

Completed swim tests may be dropped off at the main office of the Middle School Monday through Friday between the hours of 9:00AM and 1:00PM throughout the summer. All swim tests must be completed and returned to the student's new advisory teacher by the first day of school.

Thank you for your cooperation in this matter. The Charles River Community Awareness Unit is an exciting way for students to begin their eighth grade experience!

(FYI: In the past, students have been certified at Hinkley Pond, YMCA and local swim clubs.)
