

*Guided Notes for Technological Solutions Research*

Space Habitat: [http://en.wikipedia.org/wiki/Space\\_habitat](http://en.wikipedia.org/wiki/Space_habitat)

What is a space habitat?

---

---

---

---

---

*Advantages:*

*Access to Solar Energy:*

---

---

---

---

---

*Outside Gravity Well:*

---

---

---

---

---

*Population:*

---

---

---

---

---

*Requirements:*

*Atmosphere:*

---

---

---

---

---

*Food Production:*

---

---

---

---

---

*Artificial Gravity:*

---

---

---

---

*Protection from Radiation:*

---

---

---

---

*Heat Rejection:*

---

---

---

---

*Meteoroids and Dust:*

---

---

---

---

*Attitude Control:*

---

---

---

---
