

Chapter 13 Section 4 (Last 3 subheadings)

1. What became a center of banking, manufacturing, shipping, and trade as a result of the California gold rush?
2. What law was passed to force Native Americans and foreigners out of the gold fields?
3. Who formed a majority of gold miners?
4. What was a final effect of the gold rush on California in 1849?
5. Because the Chinese were forced from the gold fields, what area in San Francisco did they form?
6. Because of being killed by disease and men, whose population fell from 150,000 to 58,000 by 1870?
7. By the end of 1851, one of every ten immigrants was what nationality?
8. What former slave^{family} grew so prosperous that they bought Sutter's Sawmill, where the gold rush began?
9. What were Chinese miners able to yield through hard work from "played-out" mines?
10. Because California made free states outnumber slave states, what did southern states fear might happen?

Chapter 13 Section 4
