

Chapter 18 Section 2
(Last 3 subheadings) Part 2

1. What was one cause of the problems between farmers and landowners?
2. Besides workers needing permission to leave the plantation, what other drawback was there to the contract system?
3. Other than poverty, what else did African Americans in the South have to face?
4. Under what arrangement did a worker rent a plot of land to farm?
5. Because African Americans usually had no property they now returned to the land as what?
6. In what were farmers trapped by buying food from the local store with money they did not have?
7. Whose goal was it to keep former slaves powerless and restore Democratic control of the South?
8. Besides wages, what else did freed workers think that the planters had to supply?
9. Because the South grew so much cotton how much food did it have to import?
10. Besides beatings and home burnings, what other form of violence was committed by the Ku Klux Klan?
