Prophets and their messages

Read pp. 265- 267 in your text (this is Chapter 24) and write the quotes in the text from the prophets Amos, Isaiah, and Jesus that show how each of these prophets gave a message of social justice. You will need to match these quotes on the quiz.

Reflection

On page 267 of the text, it is stated, *“Jesus is telling us that ignoring social needs is just the same as causing them.”*

Explain this idea in your own words, using at least one **specific example**.
