Teen Suicide Research Facts

To be completed by hand on looseleaf or other paper. Students have the entire period after they complete their quiz to do this assignment.

1. Go to <http://www.teensuicide.us/articles1.html>
2. Read the front page and list 2 statistics that are meaningful to you.
3. Go to your assigned section of the website using the bar on the left of the main page (based on number assigned in class) and write down 4 facts or ideas that teenagers ought to know.
4. Choose 2 of these ideas or facts and explain how truly understanding these ideas can directly impact how teens think about themselves, others and/or their life. Be concrete and specific. Remember, it is only important if it helps us live a better Christian life!
