

Problem of the Week

Math Tutoring Center

Renton Technical College

WIN \$5.00 IN "BAKERY BUCKS"

Submit the correct answer to the following Problem of the Week before next Tuesday (06/19/12) at 1 PM and you will be eligible to win \$5.00 in "Bakery Bucks".

Problem of the Week:

River would like to learn to kayak. A rental facility charges the general public \$30 a day to rent a kayak. The facility also offers a training course for \$97.50. After taking the training course, students are granted membership, which allows them to rent kayaks for \$13.50 a day. How many days does River need to commit to kayaking to recoup the cost of the lesson?

Here are the rules for submitting answers to the problem of the week and the prizes with winning:

- Any RTC student or employee can submit an answer.
- Answers must be submitted in writing, on a piece of paper, in person at the Math Tutoring Center no later than 1 PM on Monday (06/19/12) **(NO email submissions will be accepted)**.
- Please include your name, phone number or email address on your submission so that you can be contacted if you are the winner.
- The winner will be notified by email or phone.
- All "Bakery Bucks" not claimed within one week will be forfeit.
- "Bakery Bucks" can only be used at the RTC Bakery.
- No change will be given on any purchases paid for with "Bakery Bucks"
- Any part of a purchase that exceeds the amount of the "Bakery Bucks" is the responsibility of the purchaser.
