

JUBILEE

T-SHIRT CONTEST

St. Lawrence Elementary and Middle Schools is celebrating its 50 year anniversary, or Jubilee Year, next year. On September 8, we will kick off a week of celebrating St. Lawrence with a Jubilee Assembly. We will all be wearing new Jubilee T-shirts **DESIGNED BY ONE OF YOU!!!** So that we can be ready by September, we are having the design contest **RIGHT NOW**. The design you create will be on the **back** of the T-shirt, and **must be about our school and the 50 Years of Catholic Education it has provided to many students.**

Here are the requirements of the contest:

- Idea: ask yourself what image (picture or symbol) would say “St. Lawrence” to you. That might mean what it looks like, who is here, or how it makes you feel to be here.
- The design must be in **black and white**.
- It should be no larger than 12” x 14” if computer generated, 8.5 x 11 if done by hand.
- It must say: **St. Lawrence Elementary and (or &) Middle School.**
- It must have the dates: **1961-2011**
- Optional: It *may* say: *50 Years of Catholic Education* or *Excellence* or other words.
- The design may be computer generated and printed or sent to Mrs. Hunter electronically as a pdf file at shunter@saintlawrence.org.
- The design must be turned in to your homeroom teacher or e-mailed to Mrs. Hunter by **Wednesday, May 25.**

A team of adults will be judging the shirt designs based on how well the design represents the mission of St. Lawrence Elementary and Middle School, creativity, and its clarity; how well it will transfer to a T-shirt. Keep your design fairly simple, or, if elaborate, keep it clean and bold enough to print.

Mission Statement
