Our users say:

Instant feedback for students is great, saves time for me the teacher in grading. Love being able to upload images and simultaneously creating activities that students can use from home. It is great addition for any class.
-Rachael Jaster, art and computer instructor, grades 7-12, Nicollet, Minnesota, U.S.A.

1. Every state has at least electoral votes because the Constitution grants each state two Senators and at least one Representative.

- two
- **three (correct answer, your response)**
- four
- five

Feedback: In addition to the 535 electoral votes divided among the states, the District of Columbia has three electoral votes because the 23rd Amendment granted it the same number of votes as the least populated state.
