

## **Sing Sing** - Serena Ryder

You gotta sing sing sing sing, sing out loud, don't matter if you stay on track.

You gotta sing sing sing sing, sing out loud, oh don't you dare hold nothing back.

I've been around for long enough to know that, everybody needs to sing.

No matter if you're all alone, or surrounded by a thousand people with a thousand things.

You gotta sing sing sing sing, sing out loud, don't matter if you stay on track.

You gotta sing sing sing sing, sing out loud, don't you dare hold nothing back.

It's not about the way you look or what you do, as long as you are having fun.

Because you know we're here together in the world to never be the only one.

Who's gotta sing sing sing sing, sing sing sing, sing sing sing, sing!

You gotta sing sing sing sing, sing out loud, don't you dare hold nothing back.

Don't you dare hold nothing, don't you dare hold nothing, don't you dare hold nothing back.

Don't you dare hold nothing, don't you dare hold nothing, don't you dare hold nothing back.
