

West Broward High School
American Sign Language Parent Signature Sheet

The 2014 – 2015 Class Syllabus has been explained to me and my questions have been answered regarding classroom policies & procedures, behavior and student expectations. I have reviewed my syllabus with my parent/guardian and they are aware of my classroom expectations. My parents and I understand that I have to adhere to the rules, regulations, guidelines & expectations set by the teacher & Broward County Public Schools. As a parent, I have a copy of the ASL Parent Guide Sheet.

Make-Up Work

It is the **student's responsibility** to make-up any missed assignments. In order to obtain proper credit on a make-up assignment students should check in the "***while you were out***" folder. The folder will obtain assignments completed in class and assigned assignments.

***Assignments are due 2 days after student has returned back to school.**

***If students are absent on a day that an assignment is due. That assignment is due on the day that student returns back to school.**

***Wednesday afterschool is the *ONLY* test/quiz make up day. Failure to show up will result in an automatic failure.**

Directions to accessing student's grades:

West Broward High uses a system-wide grade management program called Pinnacle. One of the most important features of this system is the Parent Internet Viewer. The viewer allows parents and students to access grades via the Internet. This is a wonderful tool to stay up to date on how your child is progressing in his/her classes. The Viewer allows you to receive e-mail alerts when your child's grade drops below a specified average or when your child is absent from class.

To access this student/parent friendly tool simply go to

<https://gradebook.browardschools.com/piv/>

You will need your child's Student Identification Number and a Pin Code to access your child's information. The Student Identification Number is a specific county issued number that appears on your child's schedule, interim report and report card. If you do not have access to these sources, any of your child's teachers can give him/her the number. The Pin Code is the student's date of birth. This will be typed as the year, the month and the day. For example, if your child's birthday is March 5, 1982, you would type 19820305. Do not use spaces, slashes, dashes or commas.

X	Excused	From the assignment: grade is not affected by this assignment.
Z	Zero	Student did not turn in the assignment.
0	Zero	Student turned the assignment in, but did not receive any credit.
	Blank Space	Means the assignment was added into the computer, but it has not been graded yet; or the student did not submit it yet.

Student Conduct

Students are expected to comport themselves in a respectful manner at all times. Students are to respect school faculty, staff, presenters, visitors, their peers and themselves. Students are to read and follow procedures as outlined in Broward County School Code of Conduct (<http://www.broward.k12.fl.us/sbbcpolicies/docs/P5.8.000.pdf>). Failure to do so will result in disciplinary actions.

***Due to staff & student safety health concerns, perfumes, colognes and all other spray may not be sprayed in the classroom.**

***Cell phones, pagers, beepers, I pods, I pads and all other electronic devices must be off and out of sight during class time.** If a student is caught using an unauthorized electronic device during class time, that device will be confiscated and turned in to the front office.
