What is your favorite season of the year? Your choice could say a lot about you. Listen as talk-show psychologist Doctor Armando describes people according to their preferred season (estación preferida) of the year. What characteristics go with each season? Listen and put a check mark in the appropriate boxes. By the way, is it true what he says about you and your favorite season? You will hear each statement twice.

Mi estación preferida es _____. Según el Dr. Armando, yo soy _____.
