Actividad 9

You and your family are considering hosting a student from Costa Rica for a semester. Before you make the decision, you want to know a little about the student. Listen to part of a recording that the students from Costa Rica made for your class. Use the grid to keep track of what each of the students says. You will then use this information to decide which student would be the most compatible for you and your family. You will hear each set of statements twice.

Estudiante	Característica(s) de la personalidad	Clase favorita	Actividades favoritas
JORGE			
LUZ			
MARCO			
CRISTINA			

Which student is most like you? _____
