

### Actividad 9

Look at the pictures in the chart below as you hear people describe their friends' bedrooms. Place a check in the chart that corresponds to all of the items mentioned by the friend. You will hear each set of statements twice.

|                                                                                     | Javier | Sara | María | Marcos |
|-------------------------------------------------------------------------------------|--------|------|-------|--------|
|    |        |      |       |        |
|    |        |      |       |        |
|    |        |      |       |        |
|    |        |      |       |        |
|   |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
|  |        |      |       |        |
