

AP Semester Exam Information 2012-2013

50% multiple choice questions (some from old AP Tests; some from prior class tests)

50% DBQ main question and DBQ mini-questions (discuss how you would use one selected document excerpt to answer the prompt)

DBQ Question for Final (documents will be provided at the time of the test):

Historians have traditionally labeled the period after the War of 1812 the "Era of Good Feelings." Evaluate the accuracy of this label, considering the emergence of nationalism and sectionalism.

Use the documents and your knowledge of the period 1815-1825 to construct your answer.

You may bring and use two (2) pages of HANDWRITTEN notes to use on the final exam (front and back of one page or two fronts on two separate pages of paper). My recommendation is to outline the material in as much detail as you can fit on the exam, with emphasis on 1815-1825, the Era of Good Feelings, and nationalism and sectionalism during that period of time.
