

# Bienvenidos a la clase de español

**W**elcome to Spanish! I am looking forward to getting to know all of you and to share with you the experience of learning another language! In this class we will work on reading, writing, listening and speaking skills as we also explore the cultures of the Hispanic world.

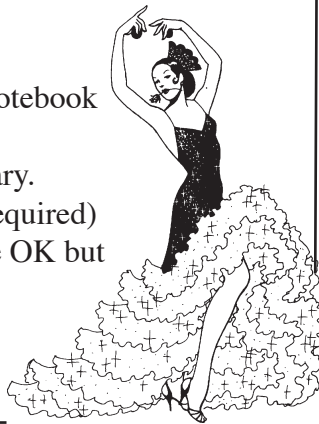

It is important to me that communication lines stay open between the teacher, students, and parents. If you ever have a question or concern, please see me after class or get in touch with me using the information listed below.

**Parents**, please encourage your student to use the website in the box below for practice. I encourage you to bookmark it so it is easily available. There are activities listed for every single chapter and concept we cover in class. I am also going to make an effort to add all quiz and test dates to the calendar on “quia” site. Feel free to check it often. Also, regarding the required Spanish Binder, please go to “[www.quia.com/pages/planospbinder.html](http://www.quia.com/pages/planospbinder.html)” to view the specific requirements.

Please sign the space at the bottom to indicate that you have read and understood everything written here. Feel free to contact me with any questions. **The student needs to come to class with the binder and this signed document by Tuesday, Sept. 4, as they are both assignments.**
