All students must pass their grade level Scriptures with 100% accuracy. Students will memorize the NIV version for Scriptures. Teachers will also have students learn additional Scriptures, but these additional Scriptures will not be a part of the Essential Scriptures program of SWCS or require 100% mastery.

Students have the opportunity to show mastery of their Scripture block at the end of the school year. Special Bible memory awards will be given at the awards ceremony at the end of the school year.

Students in 7<sup>th</sup> and 8<sup>th</sup> grade may compete for our Essential Scriptures Memory Award. Students who can demonstrate mastery of all the Essential Scriptures (K thru 8) will be given an award and a cash award for their outstanding achievement. This will be presented at the end of the year awards ceremony.

Our goal is to help each student of SWCS understand the importance of Scripture in their daily lives and how to use Scripture to help others come to a saving knowledge of our Lord, Jesus Christ.
