

Instructions for Quizzes: Saxon Algebra

Multiplication and division quizzes may be taken in the classroom or at home. These quizzes may be taken as often as the student wants to take them. (10 in a row or more) Once a 100% has been received the student does not have to take the quiz again until the next quarter.

vocabulary quizzes may only be taken in the classroom and can only be taken once a day. The quizzes may be retaken as often as the student wants until the desired grade has been received. (But only one quiz a day and only in the classroom.)

Instructions:

1. Open the Quia site and enter answers on the corresponding quiz
2. Submit your answers
3. You may retake the quiz only once a day (exceptions are multiplication and division quizzes)
4. Quiz grades count as 30% of your grade
