

## Instructions for Tests: Saxon Algebra

Saxon test are given after every 5th lesson. The test are taken online during class time.

### Instructions:

1. Open the Quia test page and open the assigned test quiz.
2. A copy of the test is located on the test page. Complete each problem and then enter the answer on the quiz page.
3. Submit your answers
4. Quia will give you your possible score as some of the answers must be reviewed by the teacher.
5. Test grades count as 50% of your grade
